“ James was a brilliant artist who was kind and quiet. His demeanor soft, and his mind rased with brilliant color and hidden pictures in side his paintings. A sweet soul and had a gift to paint pictures that danced across the canvass.

My name is Jennifer Lynne Lewis, I worked at Wyland Galleries for several years and had the honor to hostess a Showing of James Warrens' work, alongside of Wyland and some Above and Below pieces.

James gave me an autographed, signed and framed lithograph of the piece "Love it or Lose It" which was a painting of his niece sitting on top of the Earth: the Earth was actually a balloon, and it wasn't tied. It expresses the Earth being shot into space, and it is a prized possession of mine I keep in the Law Office I work at in my office. The signature reads: "Jenna, Great Show, thank you, James Warren."

The background of this piece I am told was it was chosen as the Earth Day Postage Stamp.

“ To the family of Jim, I thank you so much in allowing us to care for him during his final months on this earth. He was one very strong man who loved his Lord with all of his heart mind and soul. I will miss his smile and visits very much.

“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.
